LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

That it is easier to
paint with the bolts because it
is non-porous and you can
only have a little water or
it will mess it up.

LEARNING STATEMENT

**While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...**

I learned that Michigan had a lot
of interesting stuff to look and learn
about.
I also learned about making a
map. I did a bit of paint so it
didn't run down the side. It felt
fun- porous.

LEARNING STATEMENT

While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...

I Learned that you had to
be careful with the Lightbulb.
because if you put too much paint
on it it won't turn out good.

LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

I learned that the light bulb was
non-porous which means that
it has no tiny openings and
it doesn't absorb things like
paper. So you can't use very
much water. I also learned that
value is using lights and darks
next to each other.

LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

I Learned that the lightbulb
is a slippery surface. I
could only use a little
bit of paint at a time.

LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

I Learned that the light bulb was
a slippery surface and was
hard to paint on. I also learned that
when twisting wire you need to
double the letter going back
and forth on the letter.

LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

I Learned that:

- You had to make the wire thick to make stand still and stiff.
- when we painted we used value.
- non-porous very little water ~~or~~ it wouldn't look good.
- that it was fun and interesting around the world.

LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

I learned that when you
had a lot of water your
paint smeared. The light bulb
was round so it was hard
to get the paint on. It
had a slippery surface,
